Brian's Message

In 2013 RunNB achieved a complete turnaround from the previous year. We tightened our belt financially after suffering a loss in our 2012 operating budget, and now show a healthy financial outlook.

In June our President Gilles Gautreau resigned after five years of leading RunNB to new heights. Gilles has remained on the executive as Past President. Brian Richard, President of the Miramichi River Runners for the past 30 years, moved up from Vice-President to take over the reins. Brian's position of Vice-President was filled by Donald Wade of Tracadie-Sheila.

This completed our executive committee, which also consists of Sylvio Bourque Vice President, from Grande-Digue, Bruce MacFarlane Secretary from Fredericton, Paul Lavoie Treasurer, from Fredericton and Jim Johnson as our Executive Director from Fredericton. Jim is the only paid employee of RunNB, and works on a part-time basis. The executive members were elected to their positions at the AGM in November.

To round out our board we have Mary Brosnan and Michael Lynch from Lorneville, Rob Jackson from Fredericton, Daryl Steeves from Rothesay and Gabe LeBlanc from Dieppe.

A number of good things happened in RunNB last year, and probably the most important was the addition of the NB Medical Society stepping to the plate with the sponsorship of the Kids Run. This is truly a win-win partnership for us and the physicians in our province. We couldn't be in better company.

The joint project "Small Strides, Healthy Lives" enabled us to purchase over 2640 medals in our program to promote to our youth the fun of running. Each child under the age of 14 was given a medal for completing specific races around the province.

I would never have dreamed that a year in which we had a gain of almost 5,000 runners from 2012, it would be possible to surpass the previous year of 10,900. In terms of the comparison that represents an increase of just over 45%. Wow! To date, we've never had a period of six years underperformance, having a steady increase since 2008.

One thing of which you can be certain, we are going in the right direction. We're confident that we will be moving forward with the number of races that reached just over 100 last year. Our 2014 budget is healthy with an operation in the black.

We do better when the wind is in our face. Our total budget is healthy enough to enable us to bring back prize money in all five Provincial Championships in 2014, after striking it from our budget in 2013. We are increasing our education awards to three students and I'm happy to announce Dr. Paula Keating will be awarding an additional education award to a worthy female runner.

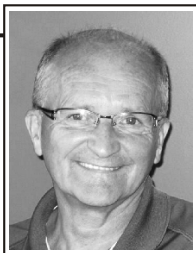

Brian's Message (continued)

Now to some more good news for 2014:

- We will be working with a budget income of \$47,700 with a healthy bottom line.
- We will be producing our annual 30-page running booklet with all the race information for the year.
- The Running Room Super Series will be continuing.
- Our five-race Timex series is still a go.
- Our 6th annual Hall of Fame and Awards night will be in Beresford this November.
- We are introducing a new Elite running program to recognize runners with cash awards.
- Continue to watch the 70+ group as they set record after record. We had 20 records broken in 2013.
- Mike Doyle has again stepped forward with the help of Paul Lavoie and Marie Wilson to present the NB Challenge 2014. This is a series of four races that now include the Miramichi with the three previous tri-city medals from 2013.
- Last year, all three organizers of the Fredericton Scotiabank Marathon, Marathon by the Sea in Saint John and Moncton's Legs for Literacy joined forces to offer a unique Tri-City run. Race organizers of each event collaborated on a medal design for each of their respective events. As the first event of its kind in the region, finishers of all three events can connect their distinct medals to form one. This was a fantastic job by all three groups.
- The Tri-City races were sold out with Legs leading the way with 3100 runners registered for their October run, a new record in New Brunswick.
- We now have three areas in the province, one each in Miramichi, Tracadie-Sheila and Fredericton where runners are putting on monthly races in their communities. Miramichi has 18 races scheduled for 2014 while Tracadie-Sheila and the BS runs in Fredericton have 12 each.
- For the first time ever the Miramichi River Runners passed the 1000 runner barrier with 1043 while Tracadie-Sheila saw their numbers jump to 422 and the BS (Blood Sugar) Monitor runs in their first year are just under 200. The trio made up for 45% of the races in our calendar in 2013.
- Our Hall of Fame welcomed Olympian Joel Bourgeois and his father Paul-Pierre to the shrine that has expanded to 12 members in this prestigious honour.

Many thanks go to each of our committee members, who continue to devote many volunteer hours to help RunNB better serve the NB running population. Also, at the heart of running in New Brunswick are the many race directors and numerous volunteers who make each race possible. RunNB acknowledges and expresses our appreciation to all of these volunteers, who make it possible for road racing to thrive in New Brunswick.

Thanks,
Brian Richard, President

Message de Brian

En 2013, CourseNB a connu un revirement de l'année précédente. Nous nous sommes serrés la ceinture financière après avoir subi un déficit dans notre budget 2012 et nous avons maintenant un avenir financier prometteur.

En juin, notre président Gilles Gautreau a remis sa démission après avoir mené Course NB vers de nouveaux sommets. Gilles siège toujours sur l'exécutif à titre de président sortant. Brian Richard, président des Miramichi River Runners depuis 30 ans, est passé de vice-président à la présidence. Le poste de Brian à la vice-présidence a été comblé par Donald Wade de Tracadie-Sheila.

Cela a permis de remplir les postes au comité exécutif, qui inclut aussi Sylvio Bourque, vice-président, de Grande-Digue, Bruce MacFarlane, secrétaire, de Fredericton, Paul Lavoie, trésorier, de Fredericton et Jim Johnson, directeur exécutif, aussi de Fredericton. Jim est le seul employé salarié de CourseNB, et il travaille à temps partiel. Les membres de l'exécutif furent élus à leur poste à l'AGA de novembre.

Pour compléter l'exécutif, nous avons Mary Brosnan et Michael Lynch de Lorneville, Rob Jackson de Fredericton, Daryl Steeves de Rothesay et Gabe LeBlanc de Dieppe.

Plusieurs évènements ont marqué favorablement CourseNB l'an passé et probablement le plus important fut l'ajout de la Société médicale du Nouveau-Brunswick comme commanditaire de la course pour enfants. Ce partenariat est une formule gagnante pour notre organisme et pour les médecins de la province. Nous sommes en bonne compagnie.

Le projet conjoint «Courir pour mieux grandir» nous a permis d'acheter plus de 2640 médailles pour notre programme qui fait la promotion du plaisir de courir auprès des jeunes. Chaque enfant de moins de 14 ans a reçu une médaille pour avoir complété une course sanctionnée, et ce pour l'ensemble de la province.

Je n'aurais jamais rêvé pendant l'année qui nous a apporté près de 5000 coureurs de plus qu'en 2012, qu'il serait possible de dépasser le nombre de l'année précédente de 10 900 coureurs, ce qui représente une augmentation de plus de 45%. Super! Jusqu'à date, nous n'avons jamais eu une période de six années en diminution, mais plutôt une augmentation constante depuis 2008.

Ce qu'il y a de certain, c'est que nous allons dans la bonne direction. Nous sommes confiants que nous allons progresser au niveau du nombre de courses qui a atteint plus de 100 l'an passé. Notre budget pour 2014 est en bonne santé, affichant un surplus.

Nous performons mieux lorsque le vent est de face. Notre budget global est suffisamment fort pour nous permettre de ramener les prix en argent pour les cinq championnats provinciaux en 2014, après les avoir coupés de notre budget 2013. Nous augmentons les bourses d'études à trois étudiants et je suis heureux d'annoncer que Dr. Paula Keating accordera une bourse d'étude additionnelle à une coureuse méritante.

Voici d'autres bonnes nouvelles pour 2014:

- Nous travaillerons avec un budget dont les revenus se chiffrent à 47 700\$, avec un résultat financier positif.

Message de Brian (continue)

- Nous produirons notre livret annuel de 30 pages contenant toute l'information concernant les courses de l'année.
- La Super Série de Running Room se poursuivra.
- Notre série de cinq courses Timex va de l'avant.
- Notre 6ième soirée annuelle du Temple de la renommée et des prix se tiendra à Beresford en novembre.
- Nous introduisons un nouveau programme de course élite qui accordera des prix en argent aux coureurs.
- Le groupe de 70+ est à surveiller alors qu'il continu à fracasser les records. Vingt records furent fracassés en 2013.
- Mike Doyle a encore une fois offert son aide à Paul Lavoie et Marie Wilson pour présenter le Défi Nouveau-Brunswick 2014. Cette série de quatre courses inclus maintenant Miramichi avec les trois autres cités qui formaient le trio sur la médaille en 3 parties de 2013.
- L'an passé, les trois organisateurs du Marathon Scotia Bank de Fredericton, le Marathon by the Sea de Saint-Jean et Courir pour lire de Moncton ont uni leurs forces afin d'offrir une course unique regroupant les trois villes. Les organisateurs de chaque course ont collaboré à produire une médaille pour chacune de leur course. Ce premier événement du genre dans la région permettait aux coureurs qui complétaient les trois courses de joindre ensemble les médailles distinctives afin d'en former qu'une. Ces trois groupes ont réalisé un travail formidable. Les courses des trois cités ont toutes affiché complet alors que Courir pour lire menait le bal avec 3100 coureurs inscrits pour la course d'octobre, un nouveau record au Nouveau-Brunswick.
- Nous avons présentement trois régions de la province, Miramichi, Tracadie-Sheila et Fredericton, qui offrent aux coureurs une course mensuelle dans leur communauté. Miramichi offrent 18 courses au calendrier pour 2014 tandis que Tracadie-Sheila et la course BS de Fredericton en offrent 12 chacun.
- Pour la première fois de son histoire, les Miramichi River Runners ont dépassé le nombre de 1000 au niveau des inscriptions avec 1043 au total, tandis que Tracadie-Sheila a vu ses inscriptions augmenter à 422 et les courses BS (Blood Sugar) Monitor à leur première année se chiffrent à presque 200. Ce trio représente 45% de nos courses au calendrier en 2013.
- Le Temple de la renommée de CourseNB a accueilli l'olympien Joël Bourgeois et son père Paul-Pierre qui compte présentement 12 membres ayant reçu cet honneur prestigieux.

Nous remercions généreusement chaque membre du Conseil d'administration qui continue de consacrer beaucoup de temps bénévolement afin de permettre à CourseNB de mieux desservir la communauté de coureurs du N.-B. De plus, au cœur de la course au Nouveau-Brunswick se trouvent les nombreux directeurs de course et les bénévoles qui rendent ces courses possible. CourseNB désire reconnaître ces bénévoles et exprimer notre appréciation envers tous ces bénévoles qui permettent à la course à pied de grandir au Nouveau-Brunswick.

Merci.
Brian Richard, président

Welcome to the 2014 New Brunswick Road Racing Series

There are 50+ exciting races which form the NB Racing Circuit. More than 20 of those races are designated as **Running Room Super Series** where runners will accumulate points towards the Provincial Standings. As results are received, points are compiled and will be posted on the Run NB web site. Runners will receive points only for the main race of a Super Series event.

Points will be calculated based on finish position within each age category (see list of categories below). Points will be awarded to the top 24 runners in each age category. See the point tables for positions and values. In the event 2 or more runners finish the season with an equal number of points, the runner achieving the best time at the 10K distance will win the tie.

Runners will remain in the same age category for the entire season, based upon their age as of December 31, 2014.

Previous Super Series winners are posted on Run NB's website (www.runnb.ca)

Bienvenue à la série de course à pied du Nouveau-Brunswick pour l'année 2014

Cette année, Course NB comprends 50+ courses au calendrier. Plus de 20 de ces courses font partie de la "**Super Série Running Room**". Vous pouvez y participer et accumuler des points envers les rangs provinciaux. Durant la saison de Course NB, les points du coureur sont accumulés et affichés sur le site web de Course NB.

Les coureurs reçoivent des points seulement pour les événements principaux de la Super Série Running Room. Les points sont calculés en se basant sur la position des coureurs dans leurs catégories d'âges respectives (voir la liste des catégories ci-dessous). En cas où deux ou plusieurs coureurs ont des points égaux à la fin de la série, le coureur qui recevra le meilleur temps sur une distance de 10km sera le gagnant.

Tout coureur demeurera dans la catégorie d'âge à laquelle il débute la saison, basée sur son âge au 31 décembre 2014.

Les noms des gagnants des années précédentes de la Super Série se retrouvent sur le site web de Course N-B (www.coursenb.ca)

ELITE

SERIES

At our AGM in November, RunNB adopted an idea from the Chaleur Running Club to promote a series of races that would award \$\$ prize money to runners. It will be called the **ELITE Series**.

We are now in a position to implement this program on a one-year trial.

It works this way. Any race that awards prize money will be in the ELITE series, but must award the minimum:

1ST \$80 / 2ND \$60 / 3RD \$40

to both the male and female runners, that's \$360 total.

Yes, the Race Directors can award more money to the top three male and female runners at their race. You can award as much as you wish to as many runners as you wish but you must meet the minimum.

As far as the NB Championships are concerned, RunNB has returned to awarding prize money to the top three runners in both the male and female categories.

If you are hosting a NB Championship the money we as RunNB award does not count for you to be an ELITE race unless you meet the minimum yourself.

That means you would need to put up the minimum as well. For example the Rock n Run in Miramichi is the provincial ½ Marathon Championship. If they wish to be an ELITE series as well, they need to present the minimum \$\$.

When the Elite series race is over, the Race Directors are to email me Brian Richard at scorbord@mac.com with the following information: Names of all \$\$ winners and how much they won. I will then compile the list of \$\$ winners and position finished.

Cash awards would be for year long residence of NB only. If you award a runner from outside the province 1st, 2nd or 3rd place money then you must also give the NB runner the same amount. The minimum of \$80-\$60-\$40.

The top three runners in each race will receive 100 points for 1st, 80 points for second and 75 points for third.

A list of \$\$ winners on how much money each runners won will be accumulated, and at the end of the season the top three winners will receive

1ST \$400 / 2ND \$200 / 3RD \$100

based on the points accumulated. I will post the point and \$\$ leaders after each race.

Race Directors who wish to be part of the series, please contact me by email (scorbord@mac.com) or call 622-7280.

Thanks, Brian Richard
